

# Take the **URBAN CHALLENGE**

Spend your Spring Break doing something **different**. Something **life-changing** – for you and for others. Come away looking at the world through **new eyes**.

The Urban Challenge is a week-long, urban service-learning immersion experience in Camden, one of the poorest cities in the US. You will be spending the week at a variety of different sites, serving children, adults, immigrants, addicts, the homeless and at-risk youth. Encounter the people of Camden, hear their stories, experience their lives. Reflection, prayer, and education on Catholic social teaching are also incorporated throughout the week.

**Where:** The Romero Center, Camden, NJ

**Total cost:** \$125 (DON'T LET THE MONEY STOP YOU. Talk to Nina if you need help.)
